

1. What will you do this week to feed your spiritual energy and passion for what Christ has called you to in this season of life?
2. Have you ever been witness to Jesus making the impossible possible? What was it? Miraculous healing? An apology you never thought would come?
3. How have you been carried along through the storms of life by your prayer life and little-sized faith?
4. What are some of the ways Jesus has saved you in addition to spiritual salvation? How has He shown Himself faithful not just in terms of your eternal security but also in the here and now?
