

1. What will you do this week to feed your spiritual energy and passion for what Christ has called you to in this season of life?
2. How does Christian encouragement differ from offering someone a compliment? How is it different than flattery?
3. How does it make you feel when someone encourages you? How do you feel when you have a chance to encourage someone else?
4. Have you ever seen the contagious nature of encouragement? Where? When?
