AV VOLUNTEERS NEEDED

Do you know how to listen to music from your phone? Do you have the ability to use a laptop or computer? Can you properly heat food in the microwave? If yes to any of these, then you already have the skills that the AV (audio / visual) team can use for help during the Sunday morning services. So if you are willing to serve in this area, please reach out to Jim Kress. Jim can be reached at 716-289-3735 (call or text).
